Grade Levels:

- 6 – 9

Synopsis:

- Libby and May were best friends in middle school and spent time each day creating their own comic together. Libby drew the pictures and May wrote the stories. While moving to another town, Libby and her mother are killed in a car accident. May is devastated, and puts her comics away.

Three years later, sixteen-year-old May sees a sticker, flyers and a web comic, featuring Princess X, a character that only she and Libby knew about. The parallels to Libby's life in the new story are disturbing. Is someone trying to get a message to May? Is Libby still alive?
